

# YEAR-END GIVING INITIATIVES

Each year-end we like to highlight a few giving opportunities for our church family. As you look back over all of God's generosity in 2019, please prayerfully consider giving.

## **Village of Hope: Malawi**

### *\$100,000 Administration Building*

A new administration building will create office space for staff, a meeting space for children and staff, secure storage space, and a reception area to welcome parents and visitors. Teachers and administration staff currently do all prep work off-site due to the lack of a secure space.

**PLEASE MARK ANY GIVING "VOH:PROJECTS"**

## **Reducing Oasis Debt Load**

When we moved into our new building in early 2017 the entire project cost about \$14 million for the land, site development, building, renovation, etc. It is amazing to be here and we have been in an incredible season of ministry! We currently still owe just over \$3.2 million in long-term loans and we would love to see that number come down and give us the ability to further reach our community.

**PLEASE MARK ANY GIVING "FOR WINNIPEG"**

## **THANK YOU FOR GIVING**

Be rich in good deeds, and be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life. **1 TIMOTHY 6:18-19**

We are partnering with three local organizations over the next three weeks that are doing great work in our city! Please bring a bag or box for your donated items, leave them behind your vehicle and we will swing by with a truck to pick it all up.

## DECEMBER 8
